

Delta Dental PPO™ plus Premier Now With **More** Providers in Your Area

With the Delta Dental PPO plus Premier plan, you and your family can visit any licensed provider with **greatest out-of-pocket savings** if you see a Delta Dental PPO provider.

Advantages of the Delta Dental PPO Plus Premier Plan:

- **SAVINGS:** Delta Dental providers offer our members the greatest savings and protection from balance-billing for covered services. That means they can't bill you for the difference between what they usually charge and the amount they've agreed to charge Delta Dental members.
- **NETWORK:** Delta Dental is the nation's largest provider of dental insurance offering the largest dental network with approximately 157,000 participating providers nationwide. **With more in-network providers now available in your area.**

Number of Delta Dental PPO or Premier Providers by County			
County	2019	2021	Percent Increase
Garfield	5	13	160%
Summit	10	15	50%

- **CHOICE:** If you choose to visit a Delta Dental Premier® provider, you'll still save money because Premier providers also accept discounted fees (however, discounts are not as great as if you see a PPO provider).

To find a participating provider or to see if your current provider is in the network, visit our website at deltadentalco.com and use the **Find a Dentist** search tool.
